

**INTERNATIONAL BALKAN UNIVERSITY
INTERNATIONAL CONFERENCE OF APPLIED SCIENCES, ENGINEERING
AND MATHEMATICS
(ICASEM 2021)**

3-5 June, 2021

Dear colleague,

It is our great pleasure to invite you to the 3rd International Conference of Applied Sciences, Engineering and Mathematics (ICASEM 2021), organized by the International Balkan University, Skopje.

The 3rd edition of ICASEM will once again bring together scientists and engineers to exchange and share ideas, experience and research results about all aspects of Applied Sciences Engineering and Mathematics, as well as to encourage collaborative interdisciplinary research activities.

The Conference is already becoming a benchmark event by gathering academics, researchers and scholars from various countries, backgrounds and traditions who will discuss and debate on the challenges and opportunities in continuous technological development and engineering achievements.

Along with the Conference, we are offering two Pre-Conference Workshops for anyone interested in getting an early start and taking advantage of all the excellent learning opportunities available at our Faculty of Engineering.

ICASEM 2021 will offer ample opportunities for vibrant discussions among scientists, scholars, experts from industry and generally all participants in the Conference. Please, engage freely in a debate, share your ideas and build relationships among the group of international researchers, while taking the time to experience and explore North Macedonia.

Venue:

Due to the global pandemic, the 3rd ICASEM along with its accompanying events will be organized online by using the ZOOM application. We will dedicatedly follow the health conditions and if possible, the venue of the Conference will be at the new campus of the International Balkan University, Skopje.

- Mathematics, education and application
- Computer and communication engineering
- Industrial Engineering
- Electrical and electronics engineering
- Architecture
- Civil and structural engineering
- Chemistry, chemical and environmental engineering
- Protein engineering
- Energy

Submitted abstracts will be evaluated by the Scientific Committee. If an abstract is accepted, the author agrees to send full-text paper, including results, tables, figures and references. All submissions should report original and previously unpublished research results no matter the type of research paper you are presenting. Full-text papers (.docx and .doc) will be accepted by Electronic Submission Form. Manuscripts should meet the format set by the Conference committee and are subject to review.

Registration, Participation and Publishing:

You are welcomed to register at ICASEM 2021 both, as a Presenter (article presentation) and as a Participant (without an article, or as an accompanying person). Accepted abstracts will be published in the Book of Abstracts, while the full papers will be published in the Conference Proceedings. Furthermore, selected peer-reviewed articles will be published in the Vol.2 Issue 2 IBU Journal of Technical and Natural Sciences issued by the International Balkan University.

Important dates and Registration Deadline for ICASEM 2021:

Early registration / abstract submission: **1st of May 2021**

International Conference: **3-5 June, 2021**

Submission of full papers: **31st of August, 2021**

For further detailed information please visit our conference web site:
